WILL YOU HELP US FIND HIM?

A SEARCH-AND-FIND BOOK

## THE UNDERWORLD

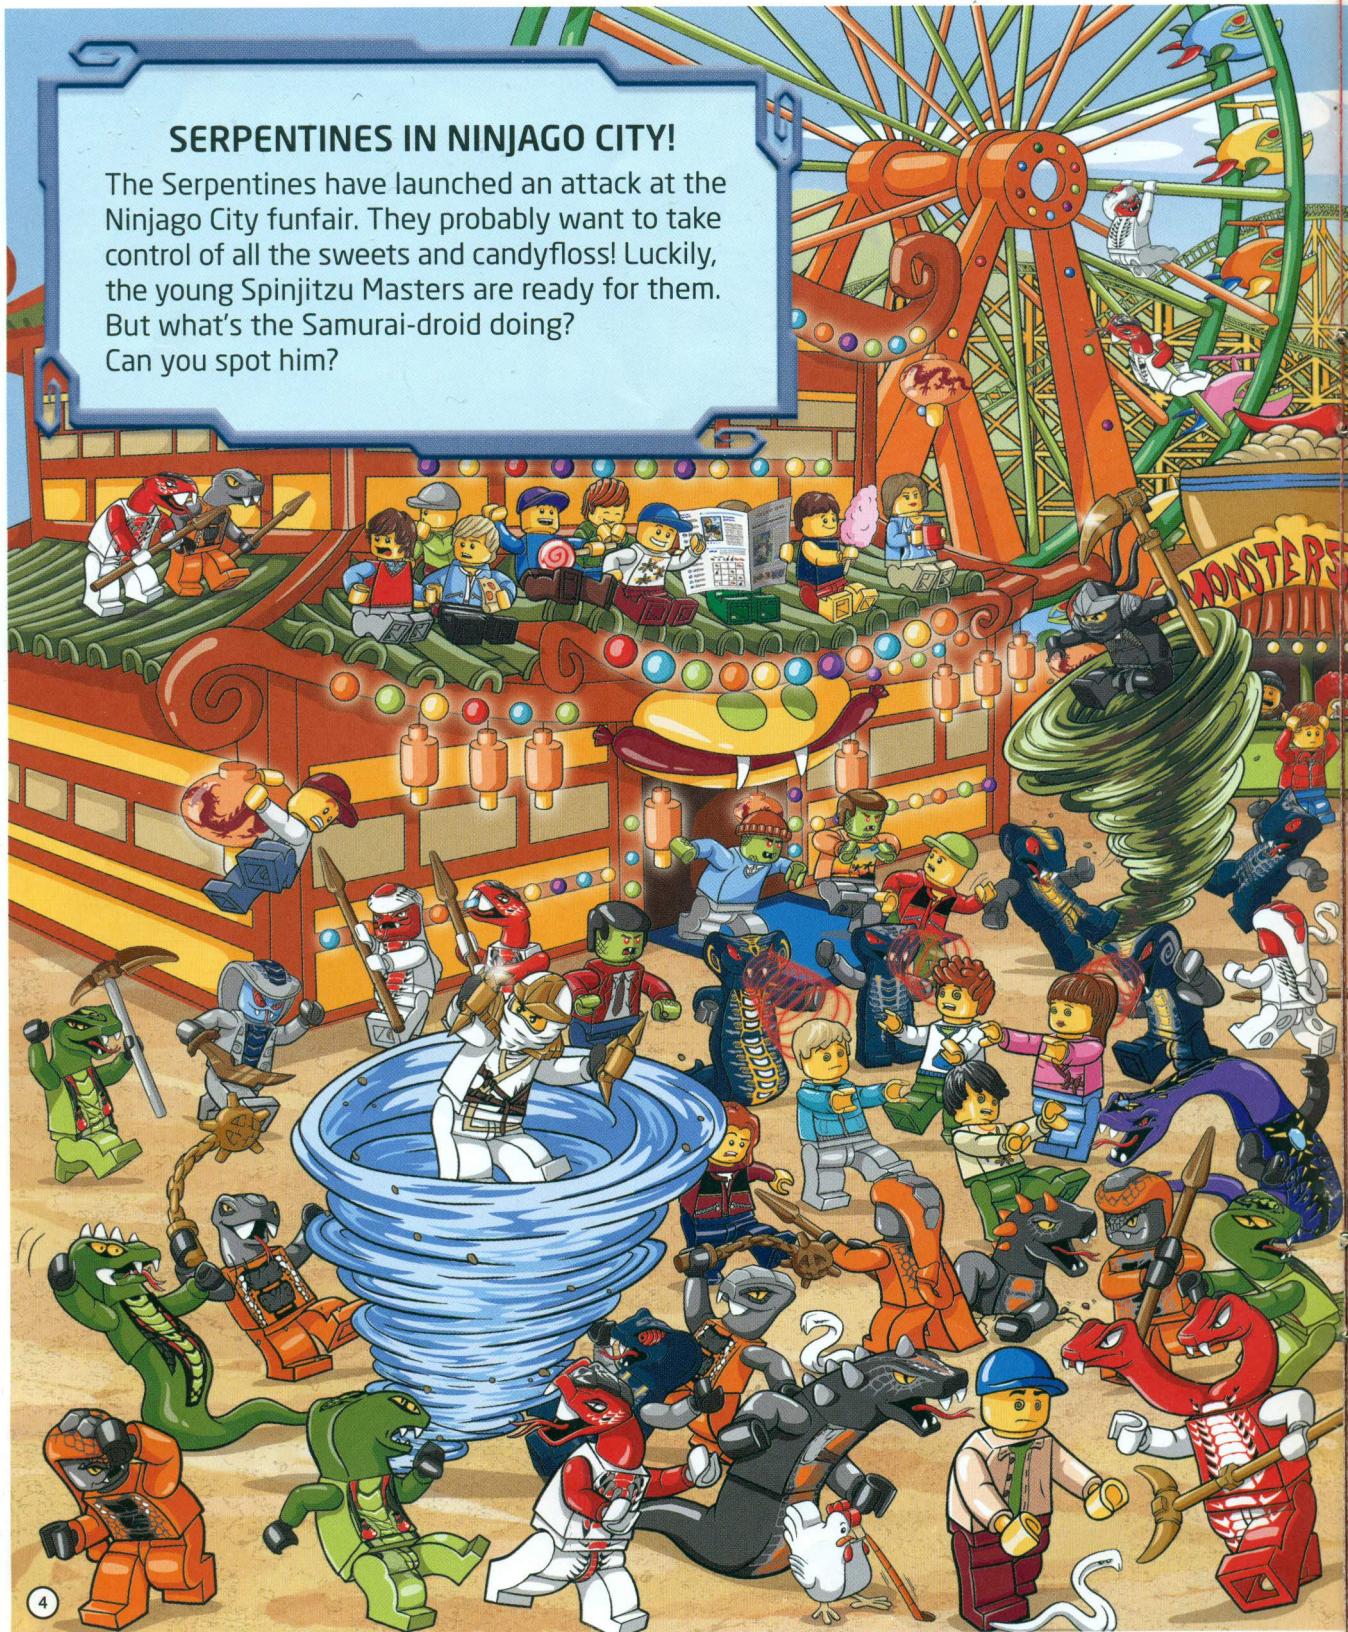

The Underworld realm of the Skeletons is eerie and silent . . . that is until the young ninja arrive! The Skeletons fight fiercely, so it's time to turn on the Spinjitzu! Can you find the Samurai-droid in all this mayhem?

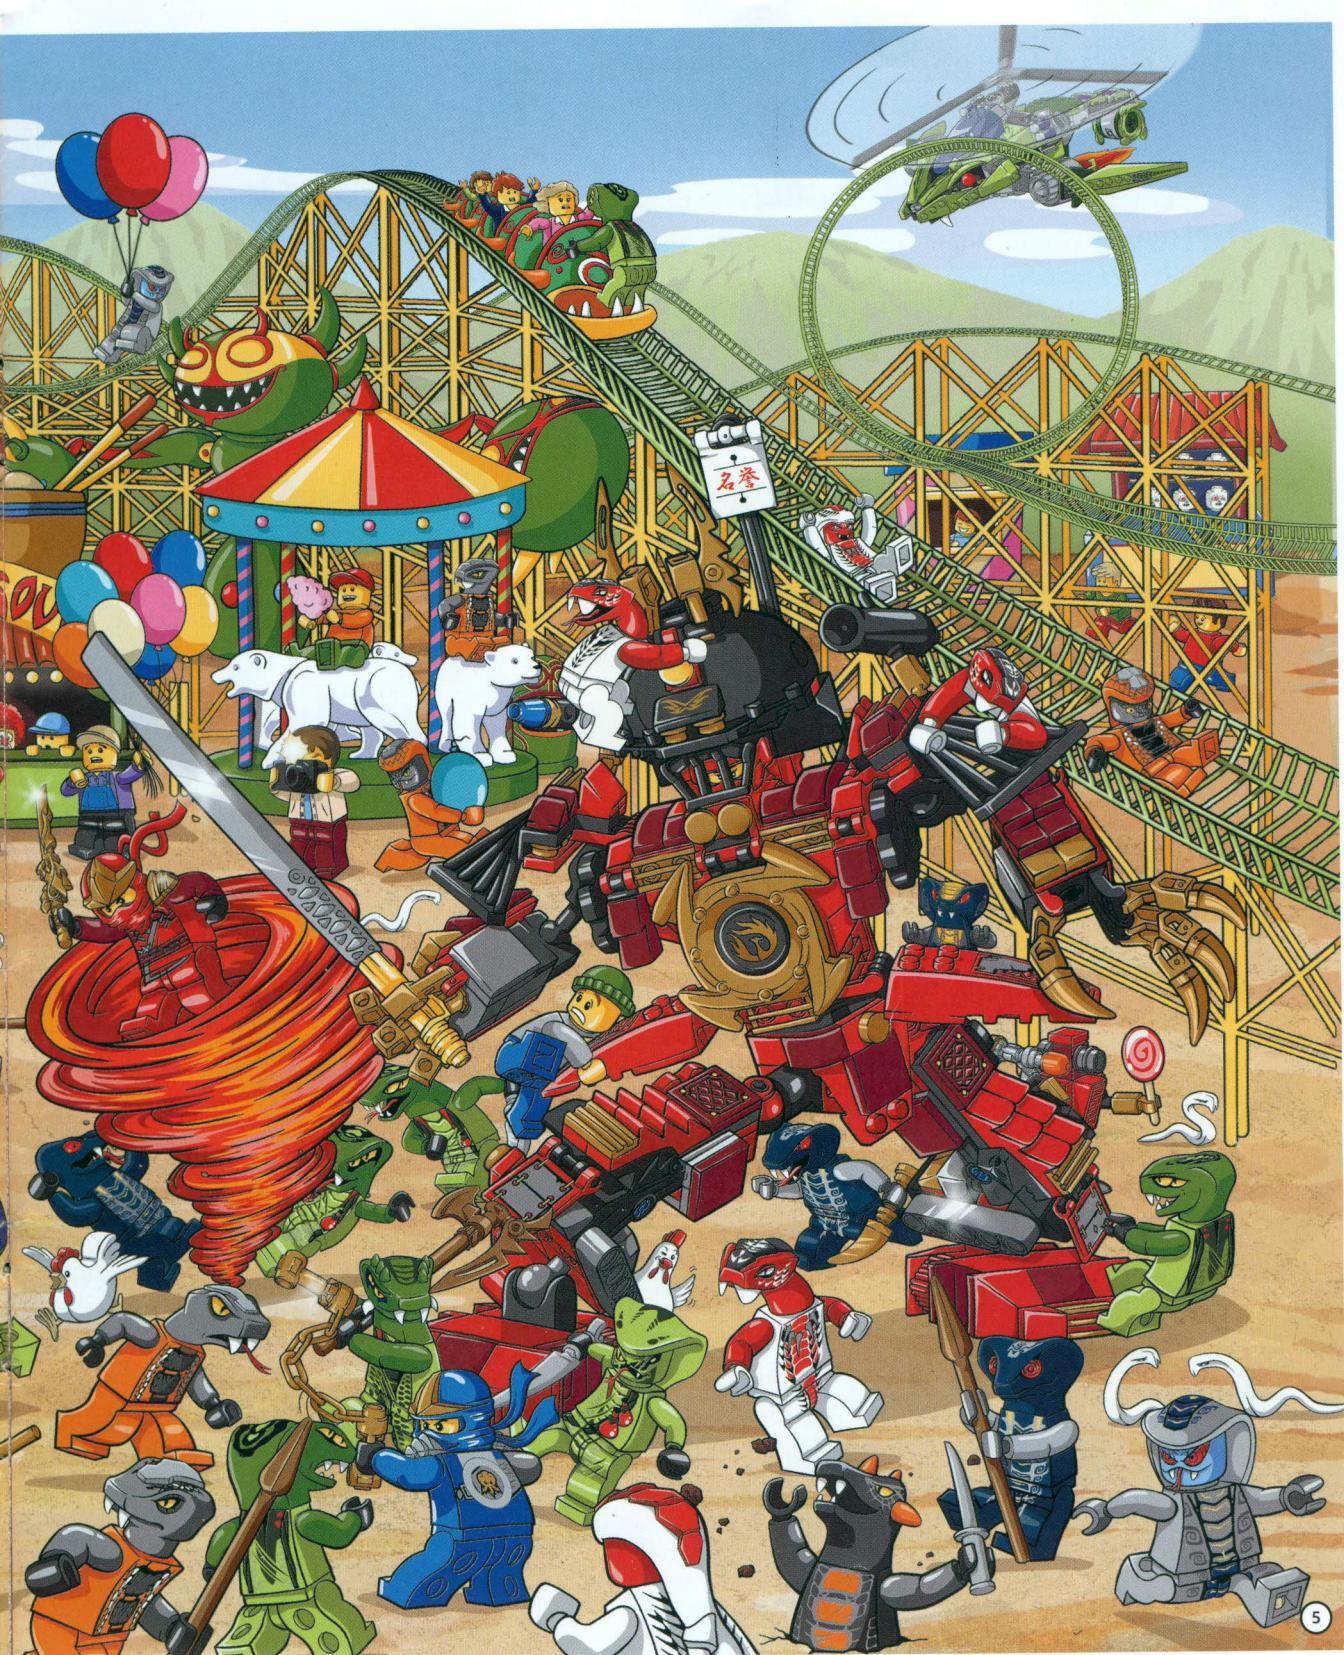

## SERPENTINES IN NINJAGO CITY!

The Serpentines have launched an attack at the Ninjago City funfair. They probably want to take control of all the sweets and candyfloss! Luckily, the young Spinjitzu Masters are ready for them. But what's the Samurai-droid doing? Can you spot him?

## THE GREAT DEVOURER

The Great Devourer has entered the Ninjago realm and the city is in danger! Can the young ninja stop him? Maybe the Samurai-droid can help them. Find him as quickly as you can!

## THE AWAKENING OF THE STONE ARMY

These petrified warriors have come back to life and got straight back to fighting! That can't bode well for the Serpentines who hide under the streets of Ninjago City. What's the Samurai-droid doing there? Can you spot him in all the turmoil?

## SPOT THE DIFFERENCE

You did it! Now look carefully and find ten differences between the two pictures.

## DARK CLOUDS OVER NINJAGO CITY

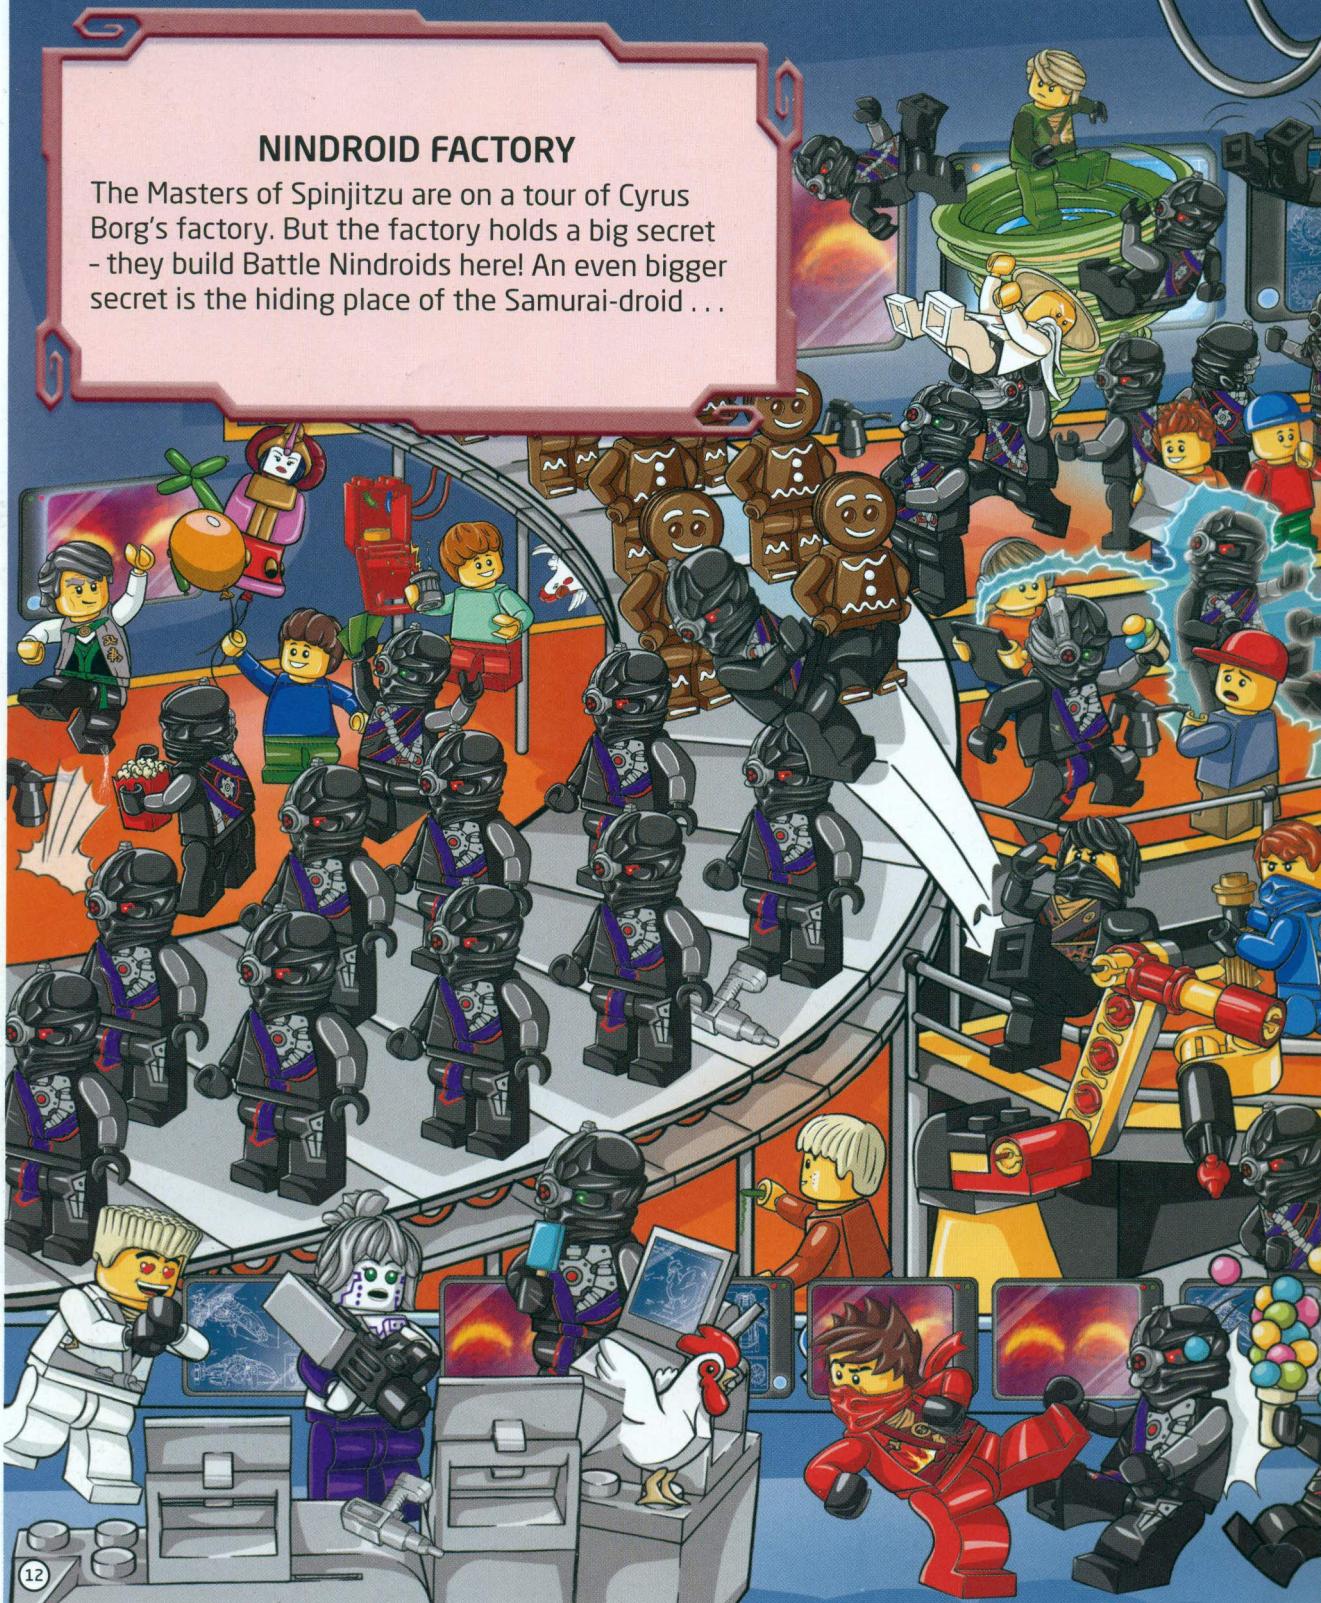

The Stone Army have flooded the streets of Ninjago City, and the Overlord has transformed into a terrifying dragon! It's a sight not to be missed, so the citizens have crowded the streets. Unfortunately for the Overlord, the ninja have emerged from the crowds . . . along with the Samurai-droid. Now, where is the little guy?

## NINDROID FACTORY

The Masters of Spinjitzu are on a tour of Cyrus Borg's factory. But the factory holds a big secret - they build Battle Nandroids here! An even bigger secret is the hiding place of the Samurai-droid . . .

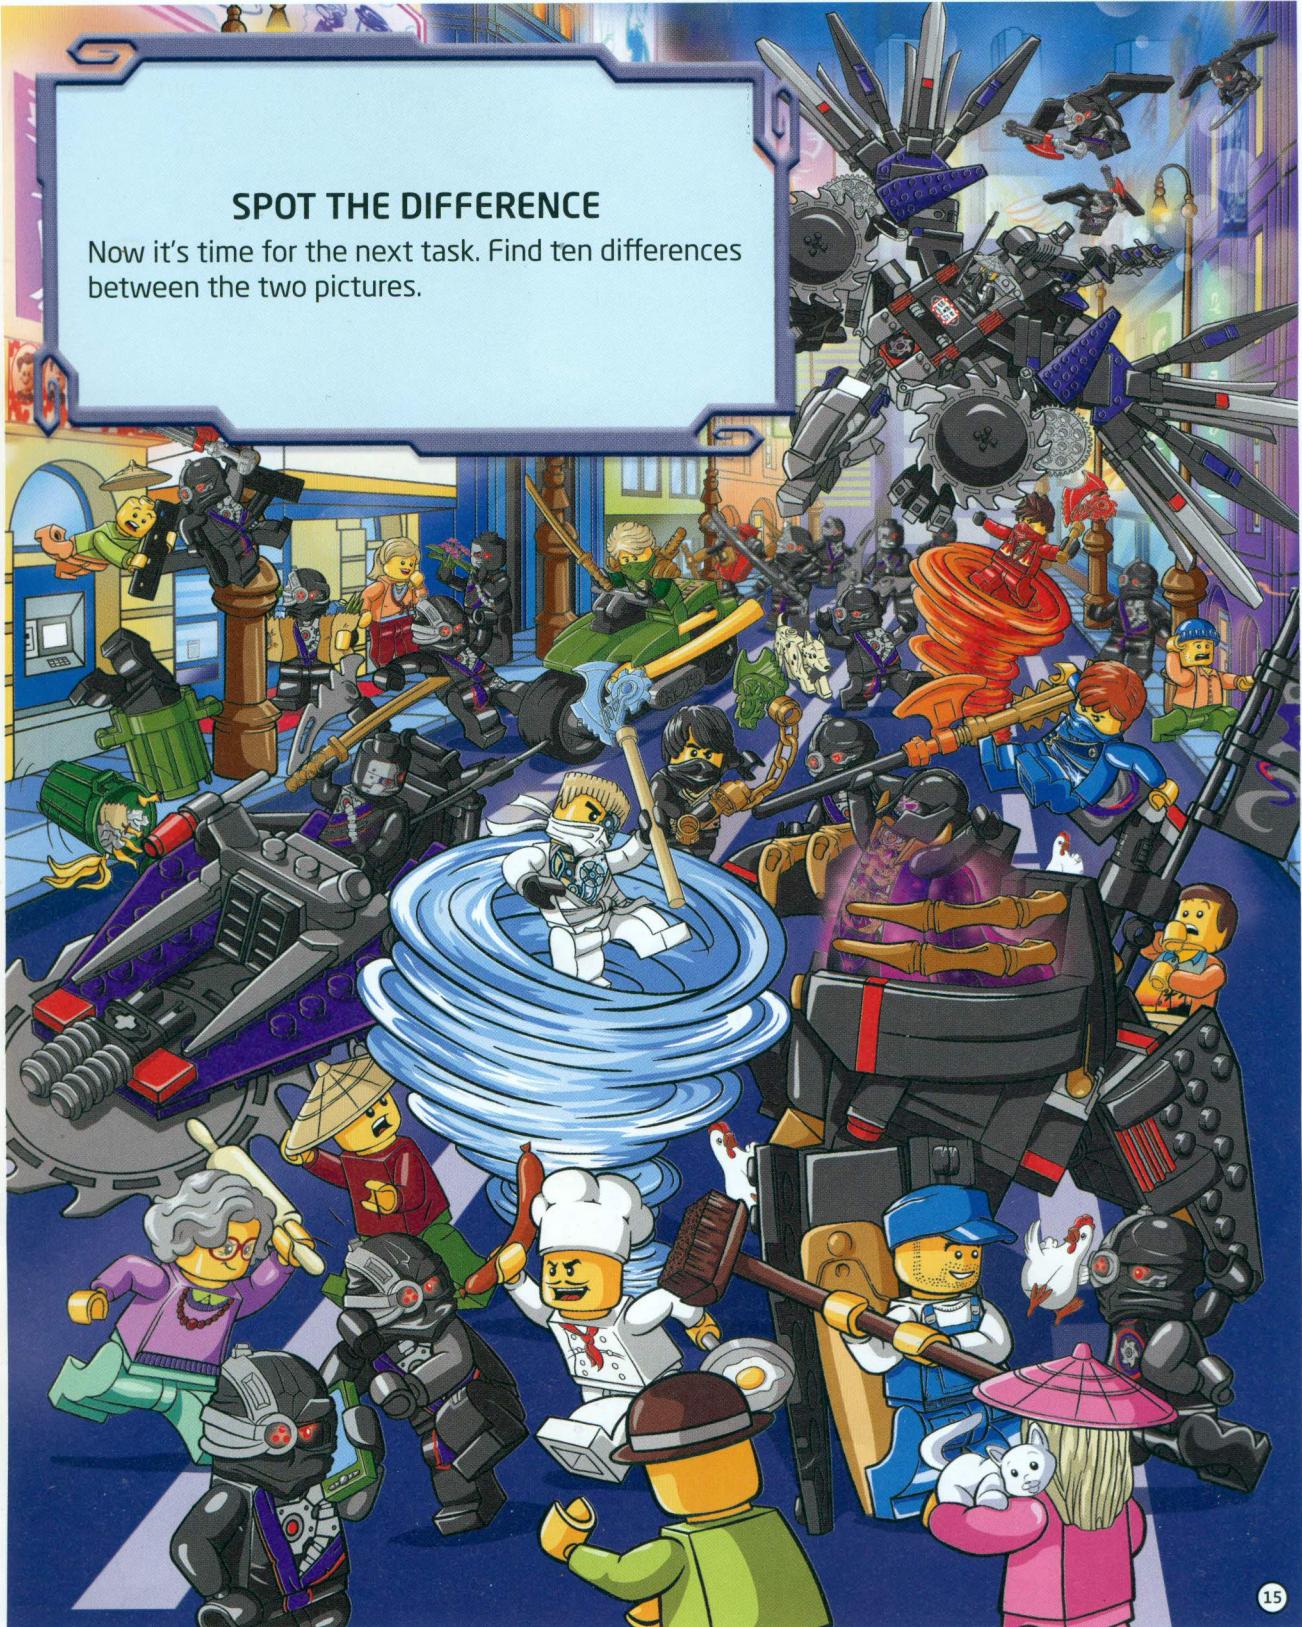

## INVASION

Fighting Nindroids is no small feat, but the ninja are seasoned warriors. Can they stop the machines? Zane is a robot too, so with his help, there's no doubt they will! The Samurai-droid has joined the battle. Can you spot him in the scene?

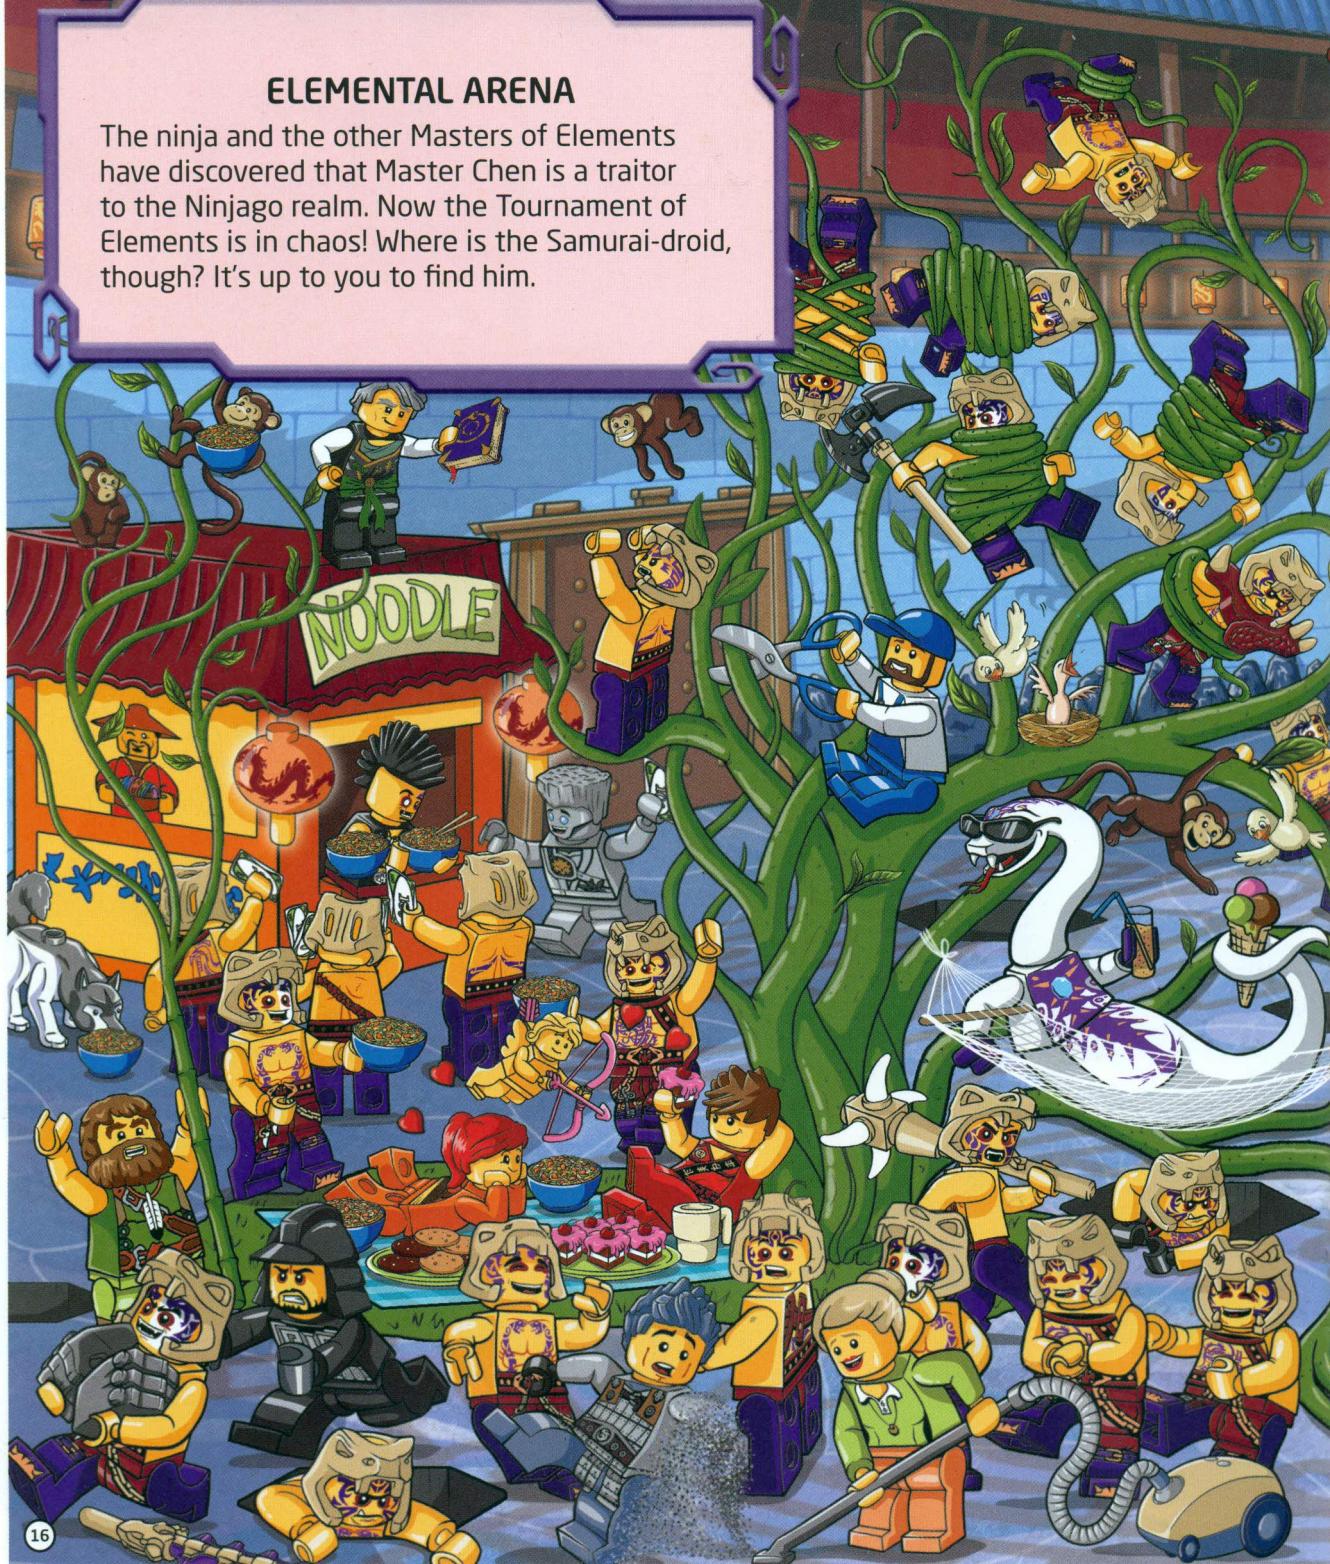

## SPOT THE DIFFERENCE

Now it's time for the next task. Find ten differences between the two pictures.

## ELEMENTAL ARENA

The ninja and the other Masters of Elements have discovered that Master Chen is a traitor to the Ninjago realm. Now the Tournament of Elements is in chaos! Where is the Samurai-droid, though? It's up to you to find him.

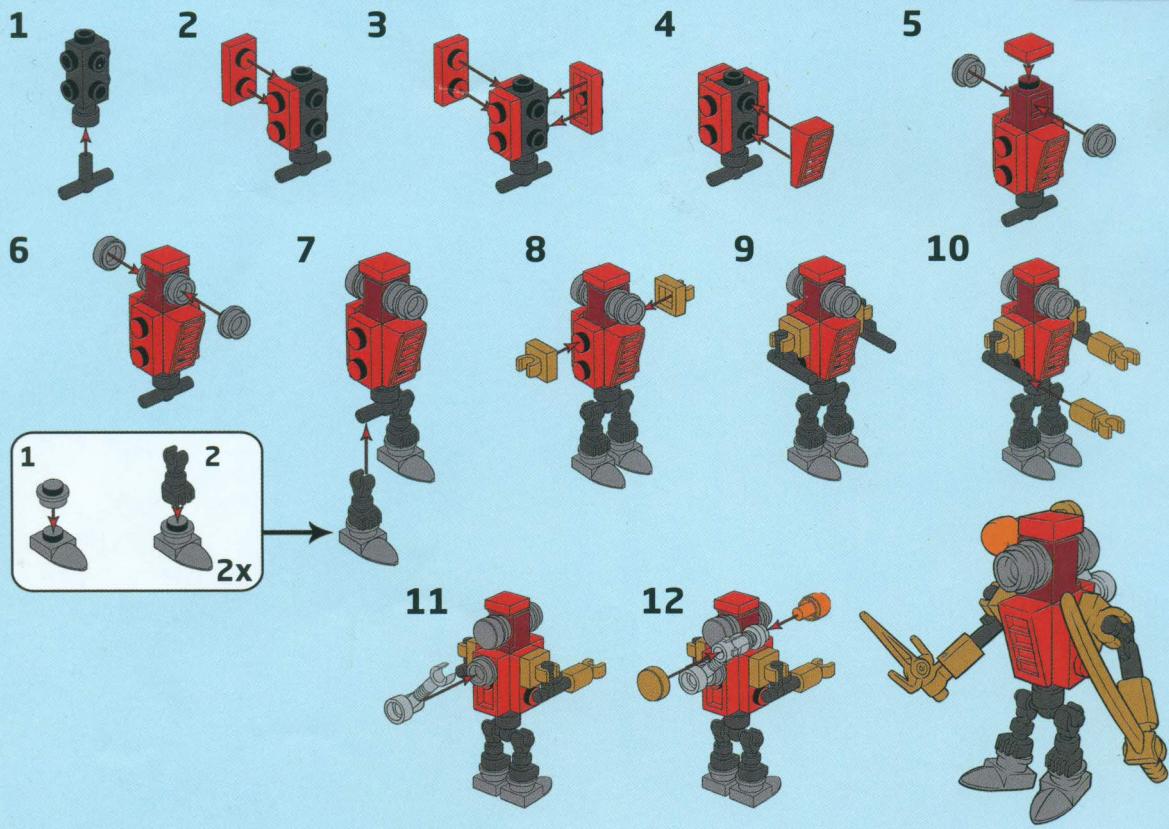

## STIIX

The village of Stiix is overrun by ghosts. They really make your hair stand on end! Luckily, the ninja can face the evil spirits because they know their weakness - water! Does the Samurai-droid share their knowledge? Find him and find out!

If you've come this far, it means you're at the end of the book.  
 But there's a surprise task for you . . . You've found all the differences  
 and the Samurai-droid on each page, but can you handle spotting  
 more things? Take the challenge and go for it!
